

I am responding to Indiana's Telephone Privacy Law. I DO NOT want the "do not call" rule reversed!! It is my right to enjoy private, peaceful evenings in my own home, with my family! The intrusions, and RUDENESS, I have experienced in the past MUST COME TO AN END!! Telemarketers return on investment cannot be comparable to what is lost in privacy in our homes! I donate to the charitable organizations of my choice and solicitors should not be aloud to come in to my home, even by phone - this is an invasion of my privacy. Find another means of doing business. My privacy is worth something, too!!
